As you are probably aware the WRTC RADIO OLYMPICS is on the 11th and 12th July, I am proud to be selected as a station manager on one of the estates with DL5HAI & his xyl and AG3I from near Pittsburgh we will be looking after 9 of the 50 stations competing.

The contest is in conjunction with the IARU CONTEST , and as well you can gain an award by contacting as many of the wrtc call-signs as you can on as many bands as you can . All the details are on the link; <https://www.wrtc2026.org/>

I hope many of our member will enter for some fun and a bit of rare wallpaper!

I will do a report of how it went once back .

Torbay Ars are in 13th place out of 43 clubs so we are doing well but its only up to you guys to push us up the list ,as we all know its a team work effort I just want to say if any member is wanting to upload but is having difficulty or lack of knowing what or how to do it , please get in-touch with me either at a Friday club meeting or via email etc.. im more than happy to help get you going , remember you have to upload to win anything , the more club members enter the club competition the better it is, all of your qso count you don't have to contest , the rag chew/ repeater and vhf simplex including the nets , everything in your log counts.

There are quite a few more contest in july, so suggest you have a look at WA7BNM web site for all your contest info, just click on the blue square on the far left of the contest & that will bring up all the that contest info, That's it for this time,

Don't forget to let me have your contest reports for end of July 2026 for the HF Report

73 & have fun Eddie M8EVM.
