As you are probably aware the WRTC RADIO OLYMPICS is on the 11th and 12th July, I am proud to be selected as a station manager on one of the estates with DL5HAI & his xyl and AG3I from near Pittsburgh we will be looking after 9 of the 50 stations competing. The whole event went very well and was very enjoyable . I meet many top contesters who when watched in action and chatted to after learnt some good practises and tips .my main station to look after was ASIA 3 , Which consited of two operators , champ E21EIC from thailand & dale BA4TB from china, along with there referee chris VO2AC from canada. I also had chats drinks with some of the radio elite community including tim K3LR dx engineering and kevin W1DED from q5 ham radio along with the icom head sales guys (one who im a contest college with) chris G1VDP , ray N9JA and his xyl cindy .all in all a good doo afterwards. **Torbay Ars are in 15th place out of 43 clubs** so we are doing well but its only up to you guys to push us up the list ,as we all know its a team work effort I just want to say if any member is wanting to upload but is having difficulty or lack of knowing what or how to do it , please get in-touch with me either at a Friday club meeting or via email etc.. im more than happy to help get you going , remember you have to upload to win anything , the more club members enter the club competition the better it is, all of your qso count you don't have to contest , the rag chew/ repeater and vhf simplex including the nets , everything in your log counts.

There are quite a few more contest in july, so suggest you have a look at WA7BNM web site for all your contest info, just click on the blue square on the far left of the contest & that will bring up all the that contest info, That's it for this time,

Don't forget to let me have your contest reports for end of Aug 2026 for the HF Report

73 & have fun Eddie M8EVM.
